We sure do.

Was it her overt sexuality, her golden locks, her kick-ass body? You told us it was all of that – and more. She exudes an eroticism that pulses blood through men's cocks, and soaks ladies' pussies. Those are qualities we truly admire in a woman.

Busty blond bomb-shells are a dime-a-dozen, but Anna Lisa is worth every penny. She exudes a sexuality lost in today's world. Voluptuous and erotic, and happy to show us every sexy curve.

"Lingerie is my favorite sex toy. I love the many things it can be. My favorite thing to do with it is a little strip show. Nothing is sexier than slowly and erotically taking off those final layers of clothing before your body is completely nude."

My body has been very good to me, so if you fine gentlemen would like to speak to a lady of class and intelligence – and a great body, why don't you pick up the phone and call me now?

Yesterday I had a big hairy bush so thick I couldn't see my clit. I asked my girlfriend over to help me so she got out the scissors and trimmed most of it away. Then I lathered up and shaved myself really close so you could get close.

and helped rinse me off. We had a hot fuck

I came before the water drops hit the shower

Blessed with a beautiful, tight natural body and a great personality, we met Abi through her husband, Randy. They submitted photos of her to us and we just had to rush a photographer and our editor to their awesome ranch about twenty miles outside of Austin, Texas.

We stayed for a few days due to their warm hospitality and came away with some great photographs and a provocative interview we think you will find very interesting. Ready?...

You and Randy have a great spread here. We know you are a model, but do you also work this amazing ranch?

You bet I do. I'm up at 5 am to feed the animals and do my chores. Every day that I can.

We see the "cowboy" in Randy but how did you get here?

Randy and I met at the Texas State Fair. He was showing some of his best longhorns and I was showing him my long legs.

That's cute. And he asked you out at the fair?

No, I asked him out. After he was finished exhibiting we saw the rest of the fair together. I went to visit him at the ranch a week later and we've been together ever since. I was a bit of a city girl, but I've come to love this

*life and all the great animals,
and people, associated with it.*

Okay Abi, here it comes. What attracts you most about a man?

*I like guys with personalities,
big hearts, and big cocks. I
know it sounds cheesy, but I do.
I like men who both respect and
know how to please a woman.
Plus, he has to have great smile
and a know how to play a good
game. He also needs to have
plenty of swagger and be really
good in bed. Like Randy.*

What's something that turns you on about a man?

I'm the type of girl who needs a lot of affection and I love a man who likes the same thing. I like it when a man kisses and touches me every chance he gets. It doesn't have to be sexual; just being comforting can go a long very long way with me.

And what turns you off?

Stinky breath turns me off much quicker than a light switch. If you can't get close to his face, how can you kiss and cuddle. I'm also turned off by guys who talk and talk and talk. I talk a lot and he shouldn't talk more than me.

How do you get into the mood for great sex?

Foreplay is the number one thing. You have to put some work into it. There is no wham, bam, thank you ma'am with me. It helps if you touch me everywhere – slowly. Now that gets my juices flowing.

On a scale of ten, how would you rate your sex drive?

My sex drive is really, really strong. I'm 27 and in the prime of my sex drive. I think about sex a lot and need to be constantly fucking! Before Randy there were men I had to break up with because they couldn't keep up.

What's the hottest and wildest sex you've ever had?

I once had a threesome. It was

Our interview with Abi concludes on this page. Randy comes in, grabs her hand and they ride into the sunset.

was two girls and one guy. We were in college and at a frat party. We all were pretty loose and went into the back yard by the swimming pool and got it on. It didn't last too long because we got discovered, but was it hot!

How many times have you made it with women?

I really don't keep score, but I think it's been about six times. Women are great lovers. I plan to find one to share with Randy for his 30th birthday.

Do you consider yourself a bisexual?

Yes, I probably do. That's just how I am and I like it.

Is there anything special you do to please your man in bed?

I've been told that I'm really good at giving head. That's always been a huge turn-on for guys. My mouth is very ac-

tive. I like to deep throat and I like to suck on their balls. It drives them crazy and they seem to get off better.

Are you a big fan of receiving oral sex?

I'm turned on by giving head, but I also love getting it. You have to show your man how to please you down there. Men like to rush things and I end up getting sore, but slow and easy will win my heart every single time.

Would you care to tell us where the most interesting place you've ever fucked somebody?

Well, I'll tell you it was with Randy and we did it on his saddle while riding on his horse. We were both facing forward and I was sitting on his cock as the horse trotted. It provided all the motion we needed. I grabbed the saddle horn for support and rode that cowboy for at least a mile down the trail.

What's your favorite position?

I like getting it from the back, doggie style. Men like to feel in control and this position lets them do it. They control the thrusting and the pace. Plus they like to play with my asshole at the same time.

How important is size?

If you're talking penis size, then it's somewhat important. He has to stay hard and be able to hit the right spots. If he's too big then it's hard to give a decent blow job. Just can't get it all in my mouth.

What's your ultimate fantasy?

I think I've pretty much done it all. I'm very sexual so if I want to do something or somebody, it hasn't been hard to get it or him. However, I wouldn't mind doing it on a moving train. The power, the shaking, the screaming wheels. Now that would be hot.

I just moved into my new apartment. It took almost a year of looking to find one I liked. My favorite room is the kitchen because I love to cook. And I think it's a great place to have sex because after you're done, the fridge is right there for ice cream.

Sandy takes tennis lessons once a week at the club. Raoul teaches her and he cums once a week also. Her serve hasn't improved much but she sure knows how to score... point, game, set, match, fuck me again.

tennis camp

I'm the club photographer and I've been sitting at the club bar watching Sandy get tennis lessons from Raoul. They practice for about an hour. I followed them to a secluded spot on the veranda and found them kissing. I hid in the bushes and took out my camera. Here's what I got.

Sandy saw me shooting and gave me a wink as she went down on Raoul. She had no problem swallowing his huge cock. I think they had practiced this before. He undoes her clothes, pulls down her skirt and starts licking her. Her pussy gleams from the wetness. After a few minutes all their clothes are off and they go at it. He sucks on her boobs, she sucks on his balls, and I suck on my handkerchief.

They are now on the ground sucking and fucking. I sneak in a little closer to get a tight shot of the action. She's on top sucking his dick and Raoul is on his back licking her pussy. They change positions and are now fucking with the intensity of the final match point set at Wimbledon.

Sandy's hot and she's waiting for you. She wants to know if you can go balls deep in her. All you eighteen and older tennis players – it's now your time to call.

I Never Close My Curtains Cum Watch Me Get Dirty!

HEY, COWGIRL

When the editor and photographer asked me what my favorite fantasy was, I told them I always dreamed of being a cowgirl. But that I was afraid of horses. Well, they promised me we could do a western shoot without horses as long as I rode a dildo. I said, "Bring it on city-slickers."

WE ASKED JENNY WHAT HER FANTASY WAS AND SHE SAID COWGIRL. OKAY, SO LETS PRETEND.

During the shoot I fantasized about being with a rugged cowboy. We began by riding on the range, herding them cattle. Later, after he put his horse in the corral, I drew us a nice warm bath and we settled in for some lathering. I got to wash him down and he did the same to me. After the bath, I dusted him with powder and stared to lick his dick. He spread my pussy lips and plunged a large raw finger deep inside it.

JENNY GOT RIGHT INTO COSTUME. WE TOOK TWO SHOTS AND GOT HER RIGHT BACK OUT OF IT.

CHECK US OUT AT
30-40group.com

I got on all fours and he mounted me from behind. I grabbed his long hard cock and eased it into my hole. I pushed back on him and began to buck like his favorite bronco. He grabbed my hair like the reins and rode me for an hour. I bucked and threw him off. Climbing on top of him, I jammed my pussy into his face and went down on his cock with my mouth.

THINK YOU CAN TAME THIS COWGIRL? CALL HER NOW AND TELL HER. **800-587-5223** 18+

I sucked on his cock as he sucked on my pussy. He then pushes me off and jumps up waving his cock like his ten gallon, and sticks it into me. On my back I can see his wild face and feel him ramming that cock in and out of me until I explode like hot coals on a roaring fire.

Confessions of a Hot Older Woman

Older women? What about wiser, wilder, wanton women? Because I'm quite prepared to admit that I have every intention of becoming a dirty old woman. Of course I use the word "dirty" rather loosely. I suppose what I really mean is that I expect to still be interested in all things sexual (and especially all things kinky) right to the bitter end! I've certainly become more passionate with age and more interested in experimentation. Don't get me wrong - I've always been highly sexed but it's only in recent years that I've developed the poise, the self-assurance, to be comfortable with my downright horniness! And while I still enjoy "vanilla sex" I enjoy even more exploring my naturally kinky nature and if it's with a man who's younger than me (sometimes CONSIDERABLY younger than me) then so much the better. These days I find myself indulging in all kinds of sexual fantasies in all kinds of places.

Must be 18 +

Call Now. 800-735-4058

The young man at the grocery store, the businessman having lunch in the local bistro - all are likely to be disconcerted by my appraising glance! Since we all know - or SHOULD know - that the most sensitive erogenous zone is between our ears, then it makes sense that it's a woman's aura, her vibe, that arouses a man's interest. An older woman is more likely to give off an air of confidence, an air of knowing just what she wants and how to get it. Such a woman knows her body well and knows how to extract every last drop of pleasure from it. She's comfortable in her own skin and doesn't waste fretting about minor imperfections the way she might have done in her twenties. By the time she's in her forties a woman knows what's important. She knows the value of taking her time, knows that where there's one orgasm, there's also another and another. An older woman is experienced in the ways of pleasing a man and, more importantly, in how to please herself. She's not looking for a man's approval - she already knows who and what she is and what she demands from life. You won't need to spend your time trying to guess what the older woman wants from you - she'll let you know!

A word about "head games" and yes, there's a world of difference between a mind fuck and a head game. The kind of head game an older woman plays is more likely to be a way of enhancing her enjoyment - and her partner's - rather than to bolster a fragile ego as is often the case with a younger woman. Oh, and you won't find an older woman asking "What are you thinking?" because, quite frankly, she doesn't much care.

If you want your world to be rocked, rather than just a little shaken, then seek out the older woman - she'll rock your world in ways a younger woman hasn't even thought of yet!
